

Amendments to the Drawings

Proposed replacement drawings are submitted herewith for **Fig. 4B**, **Fig. 5D**, and **Fig. 8B**.

In **Fig. 4B**, the values in the "nodes" (i.e., the letters within ellipses) were incorrect, and did not align with **Fig. 4A**. Accordingly, the node values "B", "C", and "D" have been rearranged.

Fig. 5D is corrected in the final entry to use "4" instead of "1" as the ordinal of the parent node. (This correction aligns **Fig. 5D** with **Fig. 4A**, which shows that the node at reference number 422 in **Fig. 4A** has the node at reference number 420 as its parent.)

In **Fig. 8B**, Block 880 is corrected to refer to the element value array, rather than the attribute value array. The figure now aligns with p. 42, lines 4 - 5 of the specification.
